Maxima Booth

Maxima prefabricated booths is very suitable for exhibitions because it has a reasonable price, easy and fast installation, and is suitable for all types of exhibitions.

The rent of these booths is for a four-day exhibition period and its price is calculated according to the area.

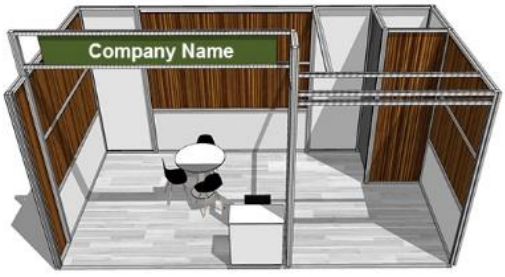

- Modular structure that can be installed and executed according to new design.
- High endurance of the surface of 8mm melamine MDF against adhesive when installing the advertising printings on it.
- Puzzle shape of this structure s walls, variety of MDF colors, and possibility of installing prints, presents a comprehensive outline, and makes this structure different from conventional ordinary booths in exhibitions.
